

HOLIDAY CALENDER SCHEDULE

This is your holiday calendar. It lists all the days that school is closed and our center is OPEN. It does not include days that both the center and school are closed.

If you need to drop in your child(ren) during holidays you will need to fill out the calendar for the days you will need them to attend. If you are **Contracted on the **day** that the holiday falls, your rate for each day will be a flat rate of **\$50.00**. If you are **Not-Contracted** on the day that the holiday falls then your rate will be a flat rate of **\$65.00**.**

If you submit your calendar 2 weeks before the holiday, you will receive a discount of \$10.00 per day. The discounted rate for contracted families will be a flat rate of \$40.00. For non-contracted families your rate will be \$55.00 a day.

For your convenience you can find & submit all holiday calendars through our website at walnutacreschildrenscenter.org. If no one is at the front desk, please drop off your holiday calendar in the check box or at the front desk. **Once you sign up for the holidays you may cancel or change your days up to 2 weeks before the scheduled holiday.**

After the 2 weeks there are no refunds or exchanges.
